1. Introduction

- i. The Wythenshawe Catholic Academy Trust (referred to hereafter as the Trust) is committed to ensuring that the appraisal procedure will be a supportive and developmental process designed to ensure that all teachers have the skills and support they need to carry out their role effectively. It will help to ensure that teachers are able to continue to improve their professional practice and to develop as teachers.
- ii. Revised appraisal arrangements came into force on 1 September 2012. They are set out in the Education (School Teachers' Appraisal) (England) Regulations 2012 (the Appraisal Regulations) which replace the Education (School Teacher Performance Management) (England) Regulations 2006 (the 2006 Regulations).
- iii. This policy sets out the framework for a clear and consistent assessment of the overall performance of teachers, including the Headteacher, and for supporting their development within the context of the Trust's and Academies' plan for improving educational provision and performance, and the standards expected of teachers. It also sets out the arrangements that will apply when teachers fall below the levels of competence that are expected of them.
- iv. This policy and procedure complies with policies adopted by the Catholic Education Service.
- v. The Trust is committed to ensuring consistency of treatment and fairness. It will abide by all relevant equality legislation, including the duty to make reasonable adjustments for disabled employees. The Trust is mindful of its obligations and duties under the Equality Act and the Department for Education.

3 Application

- i. Subject to Paragraph 3.ii below, this Appraisal Policy and Procedure applies to you if you are an employee or worker at the Trust or Academy and are a Teacher or Headteacher (hereinafter referred to as an "employee" or "you").
- ii. This Appraisal Policy and Procedure does not apply to Teachers employed under a contract of employment for less than one term, those undergoing induction (i.e. Newly Qualified Teachers) and those who are subject to the Trust's Capability Policy and Procedure.

4 Scope

- i. The purpose of this procedure is to establish a framework for a clear and consistent assessment of the overall performance of Teachers and for supporting their development within the context of the Trust's and its Academies' plans for improving educational provision and performance. The

assessment shall have regard to the Teachers' Standards¹ and other applicable codes of practice such as the SEND Code of Practice where relevant.

- ii. The Trust and its Academies are committed to ensuring respect, objectivity, belief in the dignity of the individual, consistency of treatment and fairness in the operation of performance management at a Catholic Academy. This commitment extends to promoting equality of opportunity and eliminating unlawful discrimination throughout the Academy community.
- iii. Where concerns raised about an employee's performance cannot be resolved through this Appraisal Policy and Procedure, there will be consideration of whether to invoke the Trust's Capability Policy and Procedure.
- iv. This Appraisal Policy and Procedure does not form part of any other procedure but relevant information on appraisal, including Appraisal Reports, may be taken into account in relation to other applicable policies and procedures.
- v. An employee is entitled to have access by arrangement to their personnel file and to request the deletion of time-expired records in line with the provisions of the General Data Protection Regulation (GDPR).
- vi. The Academy Trust delegates its authority in the manner set out in this policy

5 Appraisal in a Catholic Context

- i. Teaching, as a 'work of love, requires a radical commitment and service from all teachers, whatever their faith and whatever point they have reached on their spiritual journey': "The Church looks upon you as co-workers with an important measure of shared responsibility... To you it is given to create the future and give it direction by offering your students a set of values with which to assess their newly discovered knowledge...[The changing times] demand that educators be open to new cultural influences and interpret them for young pupils in the light of Christian faith. You are called to bring professional skills and competence and a high standard of excellence to your teaching...But your responsibilities make demands on you that go far beyond the need for professional skills and competence...Through you, as through a clear window on a sunny day, students must come to see and know the richness and joy of a life lived in accordance with Christ's teaching, in response to his challenging demands. To teach means not only to impart what we know, but also to reveal who we are by living what we believe. It is this latter lesson which tends to last the longest"². The Academy recognises the challenge for all teachers in carrying out their 'work of love' and is committed to nurturing them throughout their professional careers.
- ii. Appraisal will be a supportive and developmental process designed to ensure that all Teachers have the skills and support they need to carry out their role effectively within the context of the Academy's ethos. It will help to ensure that

Teachers are able to continue to improve their professional practice and to develop as Teachers.

- iii. Arrangements for appraisal will be conducted in such a way that employees will be secure in the knowledge that their progress and commitment to the Academy are acknowledged.
- iv. Appraisal is a time to celebrate achievement wherever possible, as well as for discerning where there is scope for development. Challenge is at the heart of the Gospels. Christ challenged all whom he encountered, each according to their needs and readiness.
- v. This Appraisal Policy and Procedure offers opportunities to ensure justice for Teachers and pupils alike and has the potential for the expression of Christian qualities such as honesty, self-knowledge, respect for others and their gifts, recognition of the needs and achievements of others, challenge of self and others, personal growth and openness.

6. The Appraisal Period

- i. The Appraisal Period will run for twelve months from September to August.
- ii. Teachers who are employed on a fixed-term or temporary contract of less than one year will have their performance managed in accordance with the principles underpinning this Appraisal Policy and Procedure. The length of the Appraisal Period will be determined by the duration of their contract of employment.
- iii. Where a Teacher starts their employment at the Trust or Academy part-way through the Academy's usual Appraisal Period, the CEO/Headteacher or, in the case where the employee is the Headteacher, the Governing Board shall determine the proportionate length of the Appraisal Period for that Teacher with a view to bringing his/her Appraisal Period into line with the usual Appraisal Period as soon as possible.
- iv. Where a Teacher transfers to a new post within the Trust or Academy part-way through an Appraisal Period, the CEO/Headteacher or, in the case where the employee is the Headteacher, the Governing Board shall determine whether the Appraisal Period should be re-set and whether the Appraiser should be changed.

7 Appointing Appraisers

- i. The table below sets out the persons to be appointed to appraise employee performance during the Appraisal Period depending on the employee who is being appraised:

Employee Level	Appraiser
Headteacher	A panel appointed by the Governing Board in accordance with Paragraph 7.iii and supported by an External Adviser

Teacher	A person appointed by the Headteacher, usually their line manager
---------	---

- ii. In carrying out its duties in accordance with Paragraph 7.i , the Governing Board must appoint a suitably skilled and/or experienced External Adviser to support the Academy Trust to appraise the Headteacher
- iii. The task of appraising the Headteacher, including the setting of objectives in accordance with Paragraph 8 below, will be delegated by the Academy Trust to a sub-group consisting of three Directors and/or Governors, which must include at least two Foundation Directors/Governors, and such sub-group will be supported by the External Adviser appointed in accordance with Paragraph 7.ii above.
- iv. The Governing Board may also seek advice from other external advisers including, but not limited to, the Diocesan Schools' Commission.
- v. Where it becomes apparent that an Appraiser appointed by the Headteacher will be absent for the majority of the Appraisal Period, the Headteacher may perform the duties of the Appraiser or delegate those duties to another Teacher for the duration of the absence.
- vi. Where an employee has a reasonable objection to the choice of Appraiser, their concerns may be carefully considered by a suitably senior person other than the Appraiser and where it can be reasonably accommodated, an alternative appraiser may be offered.

8 Setting Objectives

General

- i. Appraisal objectives should reflect the Catholic identity and mission of the Academy and the values it proclaims³ and Appraisers are expected to explore the alignment of such objectives with the Academy's priorities and plans, working at all times to ensure that the Catholic ethos is preserved and maintained.
- ii. The Appraiser and the employee will seek to agree a realistic number of objectives, which shall be reasonably achievable during the course of the appraisal period taking into account the professional development aspirations of the teacher. Objectives may be revised if circumstances change. The Trust and its Academies operate a system of moderation to ensure that all Appraisers are working to the same Standards. Targets will be moderated across the

³ Such values should include the principles of Catholic social teaching in respect of justice for all, the needs of the whole person, respect for the individual and the community and the preferential option for the poor. More information about these principles and how they might apply in the context of appraisal can be found in the CES User Guide.

Academy and the Academy Trust to ensure that they are consistent between employees with similar experience and levels of responsibility. Should the objectives not be agreed, a record of the employee's relevant comments shall be added to the appraisal documentation but the final decision on allocation of objectives rests with the Appraiser.

- iii. The objectives set for each Teacher will, if achieved, contribute to the Academy's plans for improving educational provision and performance and improving education of the pupils at the Academy. This will be ensured by the Headteachers of the Academy Trust agreeing the principles underlying the setting of objectives in the Summer Term prior to the Appraisal Period.
- iv. Objectives, where met, should contribute to improving the progress, development and well-being of pupils at the Academy as understood in relation to the Catholic nature of the Trust and its Academies and so include the academic, spiritual, moral, social, emotional and cultural development of each pupil.
- v. The objectives set for Teachers will be Challenging, Specific, Measurable, Achievable, Realistic and Time-bound and will be appropriate to the Teacher's role and level of experience.
- vi. The Appraiser may take into account the Trust and Academy's work/life balance strategy and the effects of an individual's circumstances, including any disability requiring the implementation of reasonable adjustments, when agreeing objectives.
- vii. Following discussion between the Appraiser and the employee, set objectives may be revised by the Appraiser in accordance with the needs of the Trust or Academy and the Teacher, and any such revision(s) to set objectives will be recorded in writing.

Headteacher

- viii. In accordance with Paragraph 7, the Headteacher's objectives will be set by the Governing Board in consultation with the External Adviser before, or as soon as reasonably practicable after, the start of each Appraisal Period and the Headteacher will be informed of the Standards against which their performance will be appraised in that Appraisal Period.

Teachers

- ix. Objectives set for Teachers will be Challenging, Specific, Measurable, Achievable, Realistic and Time-bound and will be appropriate to the Teacher's role and level of experience.

9 Reviewing Performance

Gathering Evidence

- i. In order to assess performance, the Appraiser will need to rely on the available evidence obtained in connection with the Teachers' performance. This may include classroom observations, tasks observations, reviewed of assessment results, reviews of lesson planning records, internal tracking and evidence supporting progress against Standards.

Observation

- ii. In order to assess performance, the Appraiser will need to rely on the available evidence obtained in connection with the Teachers' performance. This may include classroom observations, tasks observations, reviewed of assessment results, reviews of lesson planning records, internal tracking and evidence supporting progress against Standards.
- iii. Observation of classroom practice and other responsibilities is important both as a way of assessing Teachers' performance in order to identify any particular strengths and areas for development and of gaining useful information which can inform academy improvement more generally.
- iv. Teachers' performance will be regularly observed but the amount and type of classroom observation will depend on the individual circumstances of the Teacher and the overall needs of the Academy. All observation will be carried out in a supportive fashion and should not be excessive.
- v. Unless it is not reasonably practicable, at least 5 working days' notice of the date and time of the observation will be given to the Teacher and verbal feedback will be provided by at least the end of the next academy day with written feedback within 5 working days.
- vi. Classroom observation will only be carried out by those with Qualified Teacher Status.
- vii. In addition to formal observation, the Headteacher or any other senior leader with responsibility for teaching standards may "drop in" usually for a maximum of 30 minutes in order to evaluate the standards of teaching and to check that high standards of professional performance are established and maintained. The length and frequency of "drop in" observations will vary depending on the specific circumstances but will be reasonable.
- viii. Teachers who have responsibilities outside the classroom should also expect to have their performance of those responsibilities observed and assessed.
- ix. For the purpose of professional development, feedback about lesson observations should be developmental.

Development and Support

- x. Appraisal is a supportive process which will be used to inform Teachers' continuing professional development. The Trust and its Academies wish to

encourage a culture in which all Teachers take responsibility for improving teaching through appropriate professional development. Professional development will be linked to the Trust and Academy's improvement priorities and to the ongoing professional development needs and priorities of individual Teachers.

- xi. Account will be taken in a review meeting of where it has not been possible for employees to fully meet their performance criteria because the agreed support has not been provided.

Informal Action

- xii. A Teacher's line manager may identify concerns on an informal basis at any time about any performance falling short of the standard expected.
- xiii. A Teacher's line manager may also provide informal advice and appropriate support which may include training, coaching, mentoring, counselling, monitoring, working in a professional learning community, learning and development opportunities, supervision, occupational health, arrangements for observation of lessons taught by other teachers at the Academy or elsewhere or discussing practice with advisory teachers.
- xiv. Informal action could include establishing the expectations that the Trust or Academy and/or Governing Board has of the Teacher and what support may be provided to help the Teacher to meet those expectations.
- xv. Informal action may be recorded in writing and may be referred to at a later stage as evidence that an informal approach was attempted and the success or failure of such an approach.

Alternative Action

- xvi. There may be a situation where the Teacher's line manager and/or the Appraiser considers that a recent promotion or job change has been a contributory factor in any unsatisfactory performance and that informal action has been, or is unlikely to be effective.
- xvii. The line manager/Appraiser may offer the Teachers the option of taking a voluntary demotion as an alternative to proceeding with action under this Appraisal Policy and Procedure, specifically Paragraph 11.

10 Annual Assessment

- i. In assessing the performance of the Headteacher the Governing Board must consult the External Adviser in accordance with Paragraph 7.
- ii. Teachers performance will be formally assessed in respect of each Appraisal Period.

- iii. This assessment is the end point to the annual Appraisal Period but performance and development priorities will be reviewed and addressed on a regular basis throughout the year at interim meetings (which shall be conducted in person or via other appropriate medium depending on the circumstances).
- iv. The Teacher will receive, as soon as practicable following the end of each Appraisal Period, but by no later than 31st October for teaching staff and 31st December for the Headteacher, a written Appraisal Report. The Teacher will have the opportunity to comment on the Appraisal Report in writing.
- v. The Appraisal Report will include:
 - a) Details of the Teacher's objectives for the relevant Appraisal Period;
 - b) An assessment of the Teacher's performance of their role and responsibilities against their objectives and the relevant Standards;
 - c) An assessment of the Teacher's training and development needs and identification of any action that should be taken to address them;
 - d) A recommendation on pay where that is relevant (NB — pay recommendations need to be made by 31st December for Headteachers and by 31st October for other teachers);
 - e) A space for Teacher's own comments;
 - f) Recognition of the employee's achievements during the Appraisal Period
- vi. A further review meeting will take place to discuss the content of the Appraisal Report and any further action required and to inform objective setting for the next Appraisal Period

11. Teachers (including Headteachers) experiencing difficulties

- i. It is the Trust and its Academies' aim, when dealing with a Teacher experiencing difficulties, to provide support and guidance through the appraisal process in such a way that the Teacher's performance improves and the problem is, therefore resolved.
- ii. Where it is apparent that a Teacher's personal circumstances are leading to difficulties at work, the Academy will aim to establish informally whether the reason is due to ill health, lack of competence or misconduct. Support will then be offered and/or appropriate action taken as soon as reasonably practicable, without waiting for the Annual Assessment of performance (Paragraph 10). Support could include informal advice and appropriate support which may include training, coaching, mentoring, counselling, monitoring, working in a professional learning community, learning and development opportunities, supervision, occupational health, arrangements for observation of lessons taught by other teachers at the Academy or elsewhere or discussing practice with advisory teachers.

- iii. If an Appraiser identifies through the appraisal process, or via other sources of information, that the difficulties experienced by a Teacher are such that, if not rectified, could lead to the Trust's Capability Policy and Procedure being invoked, the Appraiser, the Headteacher or a member of the senior leadership team (as appropriate) will meet with the Teacher to:
 - a) Give clear written feedback to the Teacher about the nature and seriousness of the concerns;
 - b) Give the Teacher the opportunity to comment on and discuss the concerns;
 - c) Give the Teacher at least 5 working days notice that a meeting will be held to discuss targets for improvement alongside a programme of support, and inform the Teacher that they have the right to be accompanied at any such meetings by a Companion;
 - d) In consultation with the Teacher at the above meeting, an action plan with support will be established (e.g. coaching, training, in-class support, mentoring, structured observations, visits to other classes or academies or discussions with advisory teachers) that will help address those specific concerns;
 - e) Make clear how progress will be monitored and when it will be reviewed; and
 - f) Explain the implications and process if no, or insufficient, improvement is made.
- iv. The Teacher's progress will continue to be monitored as part of the appraisal process and a reasonable time given for the Teacher's performance to improve. This will depend on the circumstances but will usually be for a period of between four and twelve working weeks, with appropriate support as agreed in the action plan as per Paragraph 11.3(d) above, in order that the aim of recovering and improving performance can be achieved. During this monitoring period the Teacher will be given regular feedback on progress and arrangements will be made to modify the support programme if appropriate.
- v. If sufficient progress is made such that the Teacher is performing at a level that indicates that there is no longer a possibility of the Trust's Capability Policy and Procedure being invoked, the Teacher should be informed of this at a formal meeting with the Appraiser or Headteacher. Following this meeting, the appraisal process will continue as normal.
- vi. If no, or insufficient, improvement has been made over this period, the Teacher will be invited to a transition meeting with the Appraiser to determine whether the Trust's Capability Policy and Procedure needs to be invoked or whether the appraisal process will remain in place. The Teacher will be given at least 5 working days notice of such meeting and shall be entitled to be accompanied at the meeting by a Companion. The outcome of such meeting will be confirmed in writing to the Teacher within 5 working days of the meeting.
- vii. Prior to invoking the Capability Policy and Procedure, the Appraiser will seek to ensure that the Teacher has undergone an appropriate period of induction

to their role, an up to date job description has been issued to them, professional standards and overall expectations of performance have been made clear and the Teacher's performance has been monitored and feedback has been provided.

- viii. The Appraisal report does not form part of any capability or disciplinary procedures. However, any relevant information from the appraisal process may be taken into account by those responsible for taking decisions about capability.

12. Appeals

- i. Teachers have a right of appeal against any of the entries in the written Appraisal Report and a separate right of appeal against a decision to invoke the Trust's Capability Policy and Procedure made at a meeting under Paragraph 11.6 above. If an appeal relates to a decision about pay, the employee is referred to the Trust's Pay Policy and Procedure.
- ii. An appeal lodged in accordance with Paragraph 12.1 must be made in writing to the Clerk and lodged within 10 working days of receipt of the Appraisal Report or the letter confirming the outcome of the meeting under Paragraph 11.6.
- iii. The appeal letter must set out the grounds of the appeal in detail.
- iv. The Appeal Meeting will normally be held within 20 working days of the employee's appeal letter being received by the Clerk.
- v. In the case of an appeal by the Headteacher, the Appeal Manager will be appointed by the Vice-Chair. In the case of an appeal lodged by any other Teacher, the Appeal Manager will usually be the Headteacher unless they have participated in the appraisal review which is being appealed, in which case the Appeal Manager may be the Chair assisted by a representative appointed by the Academy Trust.
- vi. The Appeal Manager will confirm the outcome of the Appeal Meeting in writing to the employee within 5 working days of the date of the Appeal Meeting. The decision of the Appeal Manager is final and there will be no further right of appeal. The outcomes of the Appeal Meeting are that:
 - a) The Appeal Manager may uphold entries made in the Appraisal Report and/or the outcome of the meeting under Paragraph 11.6; or
 - b) The Appeal Manager may uphold the employee's appeal and overturn the decision of the Appraiser. Where such appeal relates in whole or in part to entries in the Appraisal Report, the disputed entries shall be referred back to the Appraiser for reconsideration.
- vii. Where an appeal is against entries in the Appraisal report and the outcome of a meeting under Paragraph 11.6, the appeals will be heard together.

13. **Companion**

- i. Where a meeting is held under Paragraph 11 or 12 above, a Teacher may be accompanied by a Companion.
- ii. The Teacher must let the person appointed to hold such meetings under Paragraphs 11 or 10 above know who their Companion will be at least one working day before the meeting.
- iii. If the Teacher has any particular reasonable need, for example, because they have a disability, they can also be accompanied by a suitable helper.
- iv. Their Companion can address the meeting in order to:
 - a) Put the Teacher's case;
 - b) Sum up the Teacher's case;
 - c) Respond on the Teacher's behalf to any view expressed at the meeting; and
 - d) Ask questions on the Teacher's behalf.
- v. The Companion can also confer with the Teacher during the meeting.
- vi. The Companion has no right to:
 - a) Answer questions on the Teacher's behalf;
 - b) Address the meeting if the Teacher does not wish it; or
 - c) Prevent the Teacher from explaining their case.
- vii. Where the Teacher has identified their Companion and they have confirmed in writing to the relevant person appointed under Paragraphs 11 or 12 that they cannot attend the date or time set for the meeting, the relevant person will not usually postpone the meeting for a period in excess of 5 working days from the date set by the Academy to a date or time agreed with their Companion provided that it is reasonable in all the circumstances. Should the Teacher's Companion subsequently be unable to attend the rearranged date, the meeting may be held in their absence or written representations will be accepted.

14. **Timing of Meetings**

- i. The aim is that meetings under this procedure will be held at mutually convenient times but depending on the circumstances, meetings may:
 - a) Need to be held when a Teacher is timetabled to teach;
 - b) Exceptionally be held during planning, preparation and administration time if this does not impact on lesson preparation;
 - c) Be held after the end of the school day;
 - d) Not be held on days on which the Teacher would not ordinarily work;
 - e) Be extended by agreement between the parties if the time limits cannot be met for any justifiable reason.

15. **Venue for Meetings**

- i. Any meeting held under Paragraph 11 may be held off the Academy site to minimise any distress to the Teacher.

16. **Assistance**

- i. Where matters fall to be decided under Paragraphs 11 or 12, the Diocesan Schools Commission may send a representative to advise the Trust or its Academy.

17. **Review of this Procedure**

- i. This procedure was produced in September 2013, updated in June 2016 and again in May 2018 by the Catholic Education Service (CES) for use in Catholic Voluntary Academies in England following consultation with national trade unions. It may be adapted, as appropriate, for use in joint Church academies subject to the approval of the CES on referral by the relevant Catholic diocese. This procedure will be reviewed by the CES in readiness for the academic year 2019/2020.
